ALUMNI ROLE IN INSTITUTION FUNCTIONING AND FOR STUDENT WELFARE

An education institution's renown rests on the renown of its alumni. College of Education, Chopda like any other institution, is no different in this regard, a fact which the college is immensely proud of. Ever since its foundation 34 years ago, in 1990, the college has been consistently producing graduates who have gone on to distinguish themselves in various spheres of life and contribute generously to the continued excellence of their ammeter.

The continued prestige of the college through the years and its recent elevation as an "Autonomous" institute owes as much to the contribution of its former students as to its academic standard-bearers. Over the years, the college has evolved itself as the first choice not only for prospective graduate students, but also for the prospective teachers.

Just like the institution, its alumni association has also evolved over the years. The collective has already conducted several successful chapters both inside the country and abroad. There have been consistent efforts through the years from the alumni of the college in terms of infrastructure development and various student support systems (including financial aids). The alumni association provides several scholarships and financial supports for student's participation in seminars/conferences/workshops/etc

instead of providing tangible assets. It is of utmost importance to the college to continuously nurture and strengthen this crucial bond in all its vitality and intends to take it to the next level.

Student Induction Programme

Mr. Tushar Eknath Lohar an Alumnus of our College of Education completed her Bachelor of Education degree and she appointed as high school teacher in Government School, served as a resource person in College of Education Alumni Meet. The Alumni Students Induction Programme was held on 22nd December 2022 at College of Education Chopda. The event was organized to welcome back former students and provide them with an opportunity to reconnect with their alma mater.

The programme kicked off with an opening ceremony, where the principal of the college delivered a warm welcome speech to all the alumni students present. This was followed by a series of interactive sessions and activities designed to help the alumni students bond with each other and with the current students of the college.

During the event, the alumni students shared their success stories and experiences with the current students, offering valuable insights and advice on career choices and personal development. They also participated in panel discussions and workshops on various topics, including job readiness, entrepreneurship, and leadership skills.

The programme also featured a networking session, where the alumni students had the opportunity to connect with each other and with faculty members of the college. This networking session was aimed at fostering a sense of community and creating opportunities for collaboration and mentorship.

The Alumni Students Induction Programme was a resounding success, with participants expressing their gratitude for the opportunity to reconnect with their alma mater and contribute to the college community. The event was a testament to the strong bond between the college and its alumni students, and it served as a reminder of the valuable contributions that former students can make to the college and its current students.

PLACEMENT SUPPORT AND ADVICE

On March 10th 2022 College of Education Chopda organized an Interview Guidance programme through its Placement for its B.Ed. I and B.Ed. II-Year student teachers. The aim of this programme was to provide students with the necessary skills and knowledge required to perform well in interviews.

At the alumni meet at College of Education Chopda, placement support and advice are provided to help alumni navigate their career paths. The college offers resources such as resume writing workshops, job search strategies, and networking opportunities to assist alumni in finding employment after graduation.

Additionally, alumni can receive guidance from faculty members and career counselors on career advancement and professional development. They may also connect with other alumni who can share their own experiences and offer insights on how to succeed in the field.

The alumni meet at College of Education Chopda aims to create a supportive community where graduates can continue to grow and thrive in their careers. By providing placement support and advice, the college strives to empower alumni to achieve their professional goals and contribute to the education sector.
