### ***7.1.8 Institution puts forth efforts leveraging local environment, locational knowledge and resources, community practices and challenges.***

College of Education Chopda affiliated to KBC North Maharashtra University Jalgaon is located at the prime location of Chopda Shirpur Road providing all facilities to students and visitors and is easily accessible for all. TEI is at an advantageous location in every aspect and provides ample facilities to students in rural area.

CEC has conducted various activities in its endeavor to leverage the local environment, locational knowledge and resources, community practices and challenges.

**Local Environment:** A Swachh Abhiyaan programme was conducted where student teachers participated in cleaning the campus premises, conducting cleanliness and hygiene session for practice teaching school students. The institution has focused on several community and social issues and conducted activities to sensitize the student teachers and the community reach out to the less privileged in society and to contribute in different ways to the welfare of the society.

The TEI being close to many schools in the area with sufficient resources provides optimal exposure to students. Students have easy access for- Observation of classroom teaching, Internship in the schools to practice skills learnt and Teaching Practice in the schools to deliver lessons.

**Locational Knowledge:** The institution has endeavored to spread awareness on the environmental issues through a Poster competition on sustainable living, cloth bag making competition, Environment Day, etc. Sessions, webinars by different experts focusing on role of teachers, new approaches, tools, resources they can use and challenges they face in today's changing times due to the pandemic and the online educational process. Various sessions, webinars, seminars were conducted on highlighting important issues such as gender equality, human rights, social wellness, physical wellness.

**Community practices:** The institution has leveraged the locational knowledge and resources to a great extent by organizing expert talk sessions on Mental Health. A value-added course on Yoga was conducted to inculcate health and wellness practices among the student teachers and the community.

### International Day for the elimination of violence against women-

#### Virtual Session on 25-11-21

India is a diverse country with complex social structure comprises of male and female which helps to build a healthy society but at present we see that male is dominating over female. This violence against women is seen in physical or sexual forms. It includes domestic abuse, sexual assault, murder etc. The teachers and future teachers can only bring change through the instrument of education. B.Ed. students sensitized their fellow mates through online presentation followed by discussion.

### ENVIRONMENT AWARENESS PROGRAMME

The Environmental Awareness Day was celebrated with great zeal and enthusiasm in our college on **5th June, 2018**. The main objective of this event was to create awareness among students about environmental issues, pollution, and global warming focusing on using substitutes for plastic bags.

The Environmental Awareness Day was a great success, and it played a significant role in sensitizing students about environmental issues and motivating them to take positive steps to conserve the environment and make a positive impact on the planet.
